Re: Back Billing by Questar
Docket # 08-057-# 03

Two times I have attended meetings and one formal hearing regarding my $1600 back billing from Questar.

This is unfair and unjust that I should pay any back payments to Questar

1 – Questar deceived me about the amount I owed.

2. If I had been advised of the actual amount I would not have used the gas!

3. Since the recession it is unfair to ask for more money when my income is lowered.
Questars timing is wrong to expect more money after two years and the economy has changed.

4. If necessary I request another formal hearing as I strongly believe I should not pay any on this back-bill
I would like to have my case reviewed on a individual basis
