Re: Docket No. 07-035-93  
Notice of Intent to Present Sur-surebuttal Testimony in  
Revenue Requirement Hearing commencing June 2, 2008

In its scheduling order in Docket No. 07-035-93, issued on December 27, 2007, the Utah Public Service Commission set a schedule for the revenue requirement phase of this case. This schedule directed the filing of surrebuttal testimony on May 23, 2008. The schedule did not, however, include a date for the pre-filing of written sur-surebuttal, instead contemplating the live presentation of any such testimony at hearing.

This is Rocky Mountain Power's notice that it intends to present sur-surrebuttal testimony and exhibits at the revenue requirement hearing commencing on June 2, 2008.

Sincerely,

A handwritten signature in cursive script that reads "Mark Moench".
