

- BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH -

In the Matter of the Revision of Questar Gas)
Company's Integrated Resource Planning) DOCKET NO. 08-057-02
Standards and Guidelines) NOTICE OF TECHNICAL
) CONFERENCE
)

ISSUED: January 17, 2008

By The Commission:

Notice is hereby given that a **Technical Conference** will be held in the above-entitled matter on **Tuesday, February 12, 2008, at 9:30 a.m.** in Room 401 on the Fourth Floor of the Heber M. Wells Building, 160 East 300 South, Salt Lake City, Utah. The purpose of the Technical Conference is to receive input on and discuss revisions to Questar Gas Company's Integrated Resource Planning Standards and Guidelines ("Standards and Guidelines") issued by the Commission on September 26, 1994. An agenda for the Technical Conference is attached as Appendix A. The Standards and Guidelines and proposed modifications to the Standards and Guidelines are available on the Commission's website at the following link:

<http://www.psc.utah.gov/gas/Indexes/0805702indx.htm>.

Individuals wishing to participate by telephone should contact the Commission at (801) 530-6716 or toll-free 1-866-PSC-UTAH (1-866-772-8824) at least two days prior to the technical conference to make arrangements. Participants attending by telephone should then call the Public Service Commission five minutes prior to the beginning of the conference to ensure participation.

DOCKET NO. 08-057-02

-2-

In compliance with the Americans with Disabilities Act, individuals needing special accommodations (including auxiliary communicative aids and services) during the conference should notify the Commission, at 160 East 300 South, Salt Lake City, Utah, 84111, (801) 530-6716, at least three working days prior to the Conference.

DATED at Salt Lake City, Utah, this 17th day of January, 2008.

/s/ Julie Orchard
Commission Secretary
G#56016

APPENDIX A

**Docket No. 08-057-02: In the Matter of the Revision of Questar Gas Company's
Integrated Resource Planning Standards and Guidelines**

**Technical Conference Agenda and Issues List
February 12, 2008 – 9:30 a.m. to 11:30 a.m.
Heber Wells Building Room 401**

Purpose: To obtain input, ideas, and feedback regarding modifications to Questar Gas Company's Integrated Resource Planning ("IRP") Standards and Guidelines.

I. Introductions

II. Brief History of Questar's IRP Process

III. Review of Comments submitted in Docket 07-057-01, "In the Matter of the Filing of Questar Gas Company's Integrated Resource Plan for Plan Year: May 1, 2007 to April 30, 2008"

IV. Issues List:

- a. Purpose: What is the purpose of the IRP?
- b. Scope: Should the scope of the IRP include both gas purchasing and distribution non-gas-related ("DNG") activities and costs?
- c. Timing: Should the report continue to be submitted annually? Should DNG-related items be addressed on a less frequent time-frame?
- d. Public Process: Should the IRP process be more public? Should IRP-related meetings be noticed in the newspaper? What constitutes an open meeting?
- e. Acknowledgment: Should the IRP contain a formal comment and acknowledgment process?
- f. How could the timing of comments be improved?
- g. How should the Demand Side Management analysis be conducted in the IRP process and what should its outcome represent?
- h. Should risks be evaluated and, if so, how?
- i. What level of detail should be contained in the final report?
- j. How should environmental externalities be addressed in the planning process?
- k. How should Wexpro drilling costs be addressed in the IRP?
- l. Other issues

VI. Conclusions and further scheduling
