**Re: ProNet Communications, Inc.,
Request for Withdrawal Authority for the Non-facilities Based Inter
exchange Carrier in Toll Long Distance.**

Dear Mr. Beck:

Please withdraw the above noted certificate for our company. We have not had long distance customers in Utah for several years and wish to fully withdraw from all business regulated by the Utah Public Service Commission. Since we have not had any recent customers, there will not be any Utah residents negatively affected by our withdrawal. We are concurrently withdrawing from our approved licensed status with the Utah Secretary of State and the Utah Department of Revenue.

Please make our withdrawal with you effective December 31, 2008. We have appreciated the opportunity to conduct business in Utah. Thank you very much for your assistance in this matter.

Yours truly,

Coral Johnston, President
