Secretary
Public Service Commission of Utah
160 East 300 South, 4th Floor
Salt Lake City, Utah 84111

Dear Julie:

I would like to give you an update on the information requested by the commission in the Report and Order issued November 2, 2000 in Docket No. 99-000-004,005.

At this time Qwest has no forecast or utilization data to submit to the Commission. No information is available because no code requests have been submitted to NANPA (North American Numbering Plan Administration) within the last 30 days.

If there are any questions, please call me at 237-7634.

Cordially,
